

Hygeia™ Evolve

Everything you could want in a breast pump

The Hygeia Evolve is our most innovative pump yet. It is stronger, more convenient and versatile than any pump we have offered. It is a hospital-strength breast pump that is cordless, allowing mom to pump anywhere. It maximizes comfort while being ultra lightweight, quiet and compact.

More Powerful

More powerful than a leading competitor with over 270 mmHg. Stronger suction helps moms produce more milk, faster.

Cordless

The internal, rechargeable battery allows all moms to have a mobile pumping experience.

Maximum Comfort

It has separate speed and strength controls with both stimulation and expression modes available.

Compact

Weighs less than a pound and fits in the palm of your hand.

Breastfeeding App

Mom will be set up for breastfeeding success with our innovative technology.
